1. OFFICIAL OFFER

Dear Shaik Safa,

Following your application and subsequent evaluation, we are pleased to offer you a position in our **Agentic AI Summer Internship Program**. This is an intensive, 8-week professional training internship designed to equip you with industry-leading skills in autonomous AI systems and cloud deployment.

2. INTERNSHIP OVERVIEW

- **Role:** Agentic AI Intern
- **Start Date:** May 25, 2026
- **End Date:** July 20, 2026 (8 Weeks)
- **Mode:** 100% Online (Virtual/Remote)
- **Platform:** Google Cloud Platform (GCP) & Company LMS

3. ROLES AND RESPONSIBILITIES

During this internship, you will be expected to maintain a high standard of professional conduct and technical engagement. Your core responsibilities include:

- **Live Training Engagement:** Mandatory attendance at all live online classes and technical seminars.
- **Technical Implementation:** Building and testing Single-Level Agents (SLAs) and sophisticated Multilevel Agents (MLAs) for complex task automation.

- **Cloud Architecture:** Utilizing **Google Cloud** services for hosting, scaling, and managing AI workloads.
- **Project Lifecycle:** Managing a dedicated capstone project from initial "Start Project" phase through to full cloud deployment.
- **Collaborative Sessions:** Participating in "Project Sessions" where you will present progress, debug logic, and receive peer/mentor feedback.

4. THE 8-WEEK CURRICULUM

- **Weeks 1-2:** Foundations of Large Language Models (LLMs) & Prompt Engineering for Agents.
- **Weeks 3-4:** Architecting Single Level Agents; Introduction to Google Cloud Vertex AI.
- **Weeks 5-6:** Advanced Multilevel Agents (Agent-to-Agent Communication) & Memory management.
- **Week 7:** Security, Tool-Use (Function Calling), and Cloud Deployment.
- **Week 8:** Final Project Live Demo, Peer Reviews, and Certification.

5. TERMS AND CONDITIONS

1. **Certification:** A Certificate of Completion will be awarded only upon maintaining 90% attendance and successful deployment of the capstone project.
2. **Confidentiality:** During your internship, you may have access to proprietary training materials and software. You agree to keep all such information confidential.
3. **Intellectual Property:** Any code or agents developed using company-provided resources during the internship will be for educational purposes; ownership of specific company tools remains with the provider.
4. **Equipment:** As this is an online internship, you are responsible for providing your own computer and high-speed internet connection. Google Cloud credits will be provided for project implementation.

6. ACCEPTANCE AND CONFIRMATION

To confirm your acceptance of this offer, please follow these steps:

1. Read this document in its entirety.
2. Sign the "Candidate Acceptance" section below.
3. Scan and return the signed copy to virtual-internships@pragyashal.com no later than **May 10, 2026**.

We are excited about the possibility of you joining our cohort and look forward to seeing the intelligent agents you will build on the cloud.

CANDIDATE ACCEPTANCE

I accepted the offer for the Agentic AI Summer Internship starting on May 25, 2026. I understand the roles, responsibilities, and the online nature of this program.
